### Notes:

I can offer a hire service for stands/vases etc, all hired items should be returned to me within 7 days of your wedding. Should you be providing your own vases I will require sight of them a couple of weeks before your wedding date to ensure I have the correct dimensions and to assist with my flower order.

I do use some of my garden grown foliage in some of my designs, this helps to keep my prices very competitive. Should you be thinking of using faux or dried flowers prices will be provided after consultation as they will be dependent on availability and costs at the time, they do tend to work out more expensive than fresh flowers.

Deposit payable	50% save the date with order
Balance	50% 2 months prior to wedding
Payable by BACS
